Promotional Considerations / Restrictions

1. Selected winners can only win one prize during this promotion.

Drawing Information

During these drawings, access to the mailroom will be limited and a log will be maintained of all OLC employees present for the drawing and their roles. Only the drawing official, security official, accounting representative and a blindfolded OLC employee should be present during each drawing. All eligible entries will be placed in a drawing container and a blindfolded lottery employee will draw the pre-determined amount of entries from the hopper to serve as both the winners and the alternates. The entries will be numbered individually by the security official in the order they are drawn from the hopper. For this drawing, a total of 20 entries will be drawn. Entries 1 through 10 will serve as prize winners and entries 11 through 20 will serve as alternates in case a winner cannot claim their prize.

The drawing official will record the drawn ticket and entrant's information for all entries. If there are not enough valid entries within the total that are drawn, an equal amount will be re-drawn and subsequently verified for validity.
