THE MOTION PASSED.

AGENDA ITEM 4:

UPDATE FROM THE LOTTERY’S EXECUTIVE DIRECTOR: Mr. Redburn gave a presentation
regarding the planned game modification of PowerBall in April of 2018. At this time, the Winner
Take All feature has been postponed and submitted for more discussion, and it is unlikely it will
be effective in April.

Mr. Redburn gave an update on recruitment efforts. Currently Lottery personnel are developing a
recruitment plan with Scientific Games. Mr. Redburn also indicated the Lottery is continuing to
gather information about liquor stores and the potential for Lottery participation with the law
change in October 2018.

Mr. Redburn noted that Lottery staff continues to work with Scientific Games and Lapis to develop
a timetable for Sales Force Automation implementation, as well as continuing to work with
Scientific Games to complete the final clean-up of outstanding items on the installation and
implementation of the new gaming system.

Lottery personnel are currently selling tickets at the sales booth at Oklahoma City Thunder
Games.

Mr. Redburn noted that staff training is an ongoing effort and that the Lottery is currently providing
additional sales staff training.

Mr. Redburn discussed the legislative restrictions on lottery capabilities that inhibit the ability of
the Lottery to improve profits for education and outlined the changes to legislation that are
planned to be pursued in the next regular session of the Legislature.

a) Methods of payment: cash is no longer the preferred method of payment by the
majority of consumers when making purchases. Today’s consumer prefers the
use of a debit card and frequently does not carry cash. The Lottery Act prohibits
both debit and credit cards as forms of payment for lottery products. The Lottery
would request an amendment to the Lottery Act to allow the use of debit cards for the purchase of lottery products.

b) Ensure Game Integrity: The Lottery Act also prohibits Lottery employees from purchasing or redeeming lottery tickets. That prohibition prevents the Lottery from being able to conduct a full spectrum of investigatory procedures when checking retailer performance to ensure the proper handling of player transactions. The Lotter requests the approval for Lottery employees to legally purchase and/or claim lottery prizes if it is pursuant to an investigation authorized in advance by the Executive Director.

c) Quality Customer Service: The Lottery proposes the approval for players who purchase a lottery ticket at a lottery retail location to enter lottery promotional “2nd Chance Drawings” through the Lottery website rather than have to mail the entries in through the USPS.

Mr. Redburn also outlined the items the Lottery will most likely not pursue during the 2018 regular session, unless circumstances indicate it is appropriate to do so; sales of lottery products over the internet, changes to beneficiary advertising guidelines, and possible legal changes regarding possible lottery sales in liquor stores.

AGENDA ITEM 5:

REPORT OF AUDIT AND FINANCE COMMITTEE: Mr. Cable met with the audit and finance committee before the board meeting. Mr. Cable stated that the audit was received from BKD regarding their audit of Claims and the report was very positive. There were a couple of minor corrections and that was all.

AGENDA ITEM 6:

SALES / REVENUE UPDATE: Mr. Finks gave a presentation regarding year to date sales of the Oklahoma Lottery Commission. In FY2017, the year to date total sales were $70.3 million. The FY2018 budgeted sales are $83.0 million and the FY2018 year to date sales are $92.3 million. Mr. Finks noted that instant game sales are 56% of sales at $52.0 million, jackpot games are 39% of sales at $35.7 million, and daily games are 5% of sales at $4.6 million. Instant ticket sales for FY2018 are doing very well with the revamped and improved payouts.

Mr. Finks outlined that jackpot comparative game sales versus last year are down due to fewer large jackpots. PowerBall jackpots have not reached over the $200 million mark since the $700 million jackpot in August 2017. Mega Millions has only had jackpots reach $100 million since the $382 million jackpot in August 2017. The Lottery is monitoring to see the impact of the raise in price to $2 per ticket. Mr. Finks indicated another factor in jackpot game sales is the 2-week hiatus between game sales during the change from Hot Lotto to Lotto America and a decline in players. Hot Lotto sales were $240 thousand per week and Lotto America sales are $145 thousand per week.
Mr. Finks indicated the FY2018 Initial OLC Profit goal was $58.4 million and that current estimates are reaching $61.53 million, due in large part to the overwhelming impact of the improved payouts.

AGENDA ITEM 7:

DISCUSSION AND POSSIBLE ACTION REGARDING FY2019 REVENUE ESTIMATE FOR OMES: Mr. Redburn outlined that the new law requires the Lottery to provide $50 million annually to the Lottery Trust Fund. Of this amount, the Legislature can appropriate 95% or $47.5 million. Any funds collected in excess of the $50 million will be used to fund reading and STEM programs, to be appropriated by the Legislature as cash. This means that the Legislature cannot appropriate the funds until actually received from the Lottery Commission. Mr. Redburn proposed the FY2019 revenue estimate provided to OMES adhere to the most recent law change, resulting in an estimate of $50 million each year for FY2019 and FY2020.

Mr. Sherry motioned for approval of the proposed estimate. Mr. Felty seconded the motion. The Chair ordered a Roll Call to approve.

Roll Call Vote:  
Mr. Ostrowe: Yes  
Mr. Felty: Yes  
Mr. Sherry: Yes  
Mr. Cable: Yes  
Mr. Charlton: Yes  
Mr. Orbison: Yes

THE RESULT WAS SIX VOTES IN THE AFFIRMATIVE AND NONE OPPOSED. THE MOTION PASSED.

AGENDA ITEM 8:

DISCUSSION AND POSSIBLE ACTION REGARDING APPOINTMENT OF BOARD OFFICERS FOR 2018: Mr. Cable motioned for approval of the officers of the Board of Trustees remaining the same except the treasurer, where Mr. Orbison will replace Mr. Cable. Mr. Orbison seconded the motion. The Chair ordered a Roll Call to approve.

Mr. Ostrowe: Yes  
Mr. Felty: Yes  
Mr. Sherry: Yes  
Mr. Cable: Yes
