Drawing Information

The Prize Drawings will be held at the Oklahoma Lottery headquarters. Only the Drawing Manager, an Accounting Official and a Security Official will be present during the drawing. Drawing officials will access the entry database via the Oklahoma Lottery website. A computer-based random number generator will be used to execute the official drawing once the final range of entries is determined.

For each drawing, a total of five (5) entries will be drawn from the online submissions to serve as one (1) prize winner and four (4) alternates. Of the selected entries, entry number 1 will be awarded the prize and entries 2 through 5 will serve as alternates in case a winner cannot claim their prize.

The Drawing Manager will record the drawn ticket and entrant's information for all entries. Winner will then be contacted by the Oklahoma Lottery for prize fulfillment purposes. If there are not enough valid entries within the total that are drawn, an equal amount will be re-drawn for prize validation.
